Greetings Friends, Partners, and Allies!

The mission of Fremont Ohio Pride is to celebrate and provide visibility to and for the queer community of Fremont. Not only has our small nonprofit organization hosted three large summer festivals, we've also held proms, have been able to weigh in on school board meetings, and have even submitted a resolution to City Council. All of these important efforts would not be possible without the kindness and generosity of our donors and sponsors.

We have big plans this year, including aggressive fundraising efforts, a Rainbow Run 5K, more family based activities, and of course our annual Pride Festival. The festival will once again take place in July at Walsh Park. We will be hosting over 40 entertainers, over 30 vendors, several food trucks, and several yard games. Moving forward, the festival will be free for anyone who wants to join!

We hope that you will find the enclosed sponsor packet full of opportunities for you to support and increase visibility for the queer community of Fremont. We look forward to working together to provide a celebration of LOVE for our community.

Thank you

Sincerely,
Stevie Keck - Executive Chair
Veronica Rohm - Treasurer
